ELECTRA PUBLIC SCHOOLS

W. H. AVINGER, Superintendent

ELECTRA, TEXAS

For the Board of Education of Electra schools, I want to compliment you on your originality in the portrayal of the happenings of this school year in your splendid issue of The Bengal of 1948. It is not only a book of present interest; in the years to come it will serve as a reminder of the scenes, the friends, the joys, the hopes, the fears of your high school days.

May the members of the Class of 1948, as you leave the campus to be scattered over the land and become absorbed in the exacting tasks of life, achieve the happiness which comes from service to your community and to humanity.

Dear Students:

Thanks very much for letting me see the beautiful pictures of your fellow high school students.

I appreciate the honor of being asked to be a judge in your beauty contest. It was very difficult to make a choice, as they are all very beautiful. However, Miss Edna Morrow seemed to me to be the prettiest of the pictures you enclosed.

I wish to extend my congratulations to these lovely girls and the Senior Class of 1946.

Sincerely yours,
